

Undergraduate Student Poster Presentation Guidelines

Annual Idaho INBRE Summer Research Conference - Moscow, ID
Undergraduate Student Poster Presentations – Tuesday, July 30, 2019

The Poster

1. Poster dimensions:

36" tall x 48" wide

Wider or taller posters will not fit properly on the display boards.

2. Best practices for scientific posters - poster should include:

- **Word count:** The entire poster should use < 750 words (including the abstract!)
- **Title:** The title should state the conclusions
- **Authors and Institution(s)**
- **Abstract:** No more than 250 words
- **Background information:** Very briefly tell why the research is important
- **Hypothesis (if appropriate):** Make a succinct statement
- **Materials and methods:** Usually presented as a schematic
- **Results:** Present as graphs and tables. The legend or title state the result, not the topic
 - **NOT:** 'Gene expression in cancer cells'
 - **INSTEAD:** 'Myeloma cells have a five-fold increase in phospholipase D expression'
- **Discussion:** Describe briefly what the results mean
- **Conclusion:** Often presented as a short, bulleted list
- **Appropriate citations and logos (as described below)**

3. Cite the relevant funding agencies, INBRE, COBRE, and/or whatever applies to you.

At minimum your poster should include the INBRE or COBRE logo as well as the logo of your host institution. The Idaho INBRE logo is available to you at our website: inbre.uidaho.edu/cite_inbre/.

NIH does NOT want its logos used to indicate NIH funding. **Instead of NIH logos, please use wording such as: Supported by an Institutional Development Award (IDeA) from the National Institute of General Medical Sciences of the National Institutes of Health under Grant #P20GM103408.**

At the Conference - Posters will be available for viewing throughout the conference

Monday, July 29, 2019 – hang your poster

It is your responsibility to bring your final poster to the Conference.

1. You will be assigned a poster number and a location to hang your poster.
2. Hang your own posters starting the afternoon of Monday, July 29, 2019.
3. Push pins will be available

Tuesday, July 30, 2019 - poster presentation sessions

- **Session A** – 10:45 am – 12:45 pm
Students with *odd*-numbered posters will present.
- **Session B** – 2:00 – 4:00 pm
Students with *even*-numbered posters will present.

Voting for poster awards will end at '6:30 pm' on Tuesday.

The INBRE Summer Research Conference was made possible by an Institutional Development Award (IDeA) from the National Institute of General Medical Sciences of the National Institutes of Health under Grant # P20GM103498
