

Undergraduate Student Poster Presentation Guidelines

Annual Idaho INBRE Summer Research Conference - Moscow, ID Undergraduate Student
Poster Presentations – Tuesday, August 2, 2022

36" tall x 48" wide

- Poster dimensions:**
Wider or taller posters will not fit properly on the display boards.
- Scientific Poster 'Best Practices':**
 - **Word count:** The entire poster should use <750 words (including the Abstract!).
 - **Title:** The Title should state the conclusions.
 - **Authors and Institution(s)**
 - **Abstract:** 250 words
 - **Background information:** Very briefly, tell why the research is important.
 - **Hypothesis (if appropriate):** Make a succinct statement.
 - **Materials and methods:** Usually presented as a schematic
 - **Results:** Graphs and Tables in which the legend or title state the result, not the topic.
 - **NOT:** 'Gene expression in cancer cells'
 - **INSTEAD:** 'Myeloma cells have a five-fold increase in phospholipase D expression'
 - **Discussion:** Very briefly, what do your results mean?
 - **Conclusion:** Often a short bulleted list.
 - **Appropriate citations and logos (as described below)**
- Cite the relevant funding agencies, INBRE, COBRE, and/or whatever applies to you** as well as the logo of your host institution. The Idaho INBRE logo is available at <https://inbre.uidaho.edu/cite-inbre/>. As of April 2013, NIH does NOT want its logos used to indicate NIH funding. **Instead of NIH logos, please use wording such as: Supported by an Institutional Development Award (IDeA) from the National Institute of General Medical Sciences of the National Institutes of Health under Grant #P20GM103408.**
