Experience the Art of Biomedical Scientific Discovery

# Graduate School Mentoring Program

The Graduate School Mentoring Program is designed to guide aspiring graduate students through the complex and often overwhelming process of selecting and applying to graduate school. Each session, hosted by current graduate students who are NH-INBRE alumni, offers in-depth exploration of different topics every month in a 1.5-hour live Zoom format. Participants will have the opportunity to ask questions, receive feedback on their application materials, and gain insights from those who have successfully navigated the process themselves.

Sessions:

October	November
<b><i>Preparing Application Materials</i></b> <b>October 14, 7PM EST</b>	<b><i>Grad School Interview Prep</i></b> <b>November 11, 7PM EST</b>
<ul style="list-style-type: none"><li>• How to prepare CVs and resumes</li><li>• Writing your personal statements</li><li>• Gathering strong letters of recommendations</li></ul>	<ul style="list-style-type: none"><li>• Types of grad school interviews</li><li>• Common interview questions</li><li>• Tips for making positive impression</li></ul>

All sessions held via Zoom  
Stay tuned for Spring sessions!
